

## Stripe API Keys Setup Guide

Configuration **Stripe** keys under **Settings > Payment Methods > Stripe > Settings**.

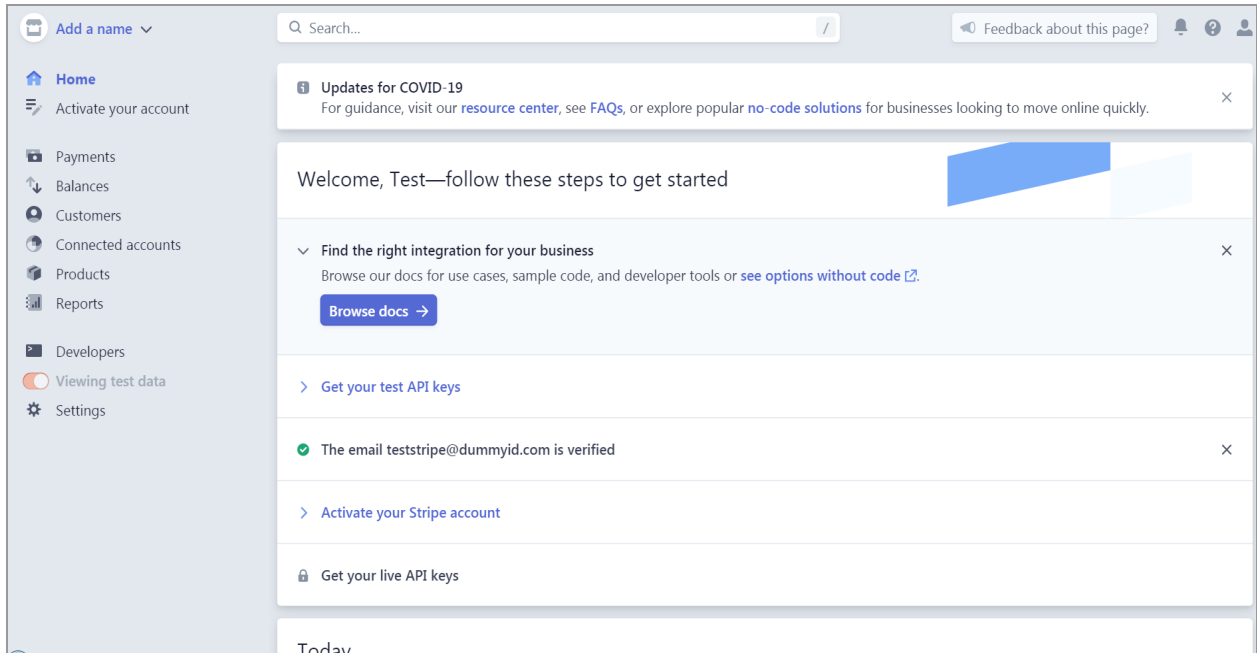

The screenshot shows a modal window titled "Payment Methods Settings" with a "CLOSE X" button in the top right corner. Inside the modal, there are two input fields: "Secret Key\*" with the value "sk\_test\_3weGf14bL81nKhxtE9bRTteu" and "Publishable Key\*" with the value "pk\_test\_sEVcifA2H5mSPKpuNobnbbEY". Below the input fields is a blue "SAVE CHANGES" button.

**Fig. 1: Stripe Settings at Admin-end**

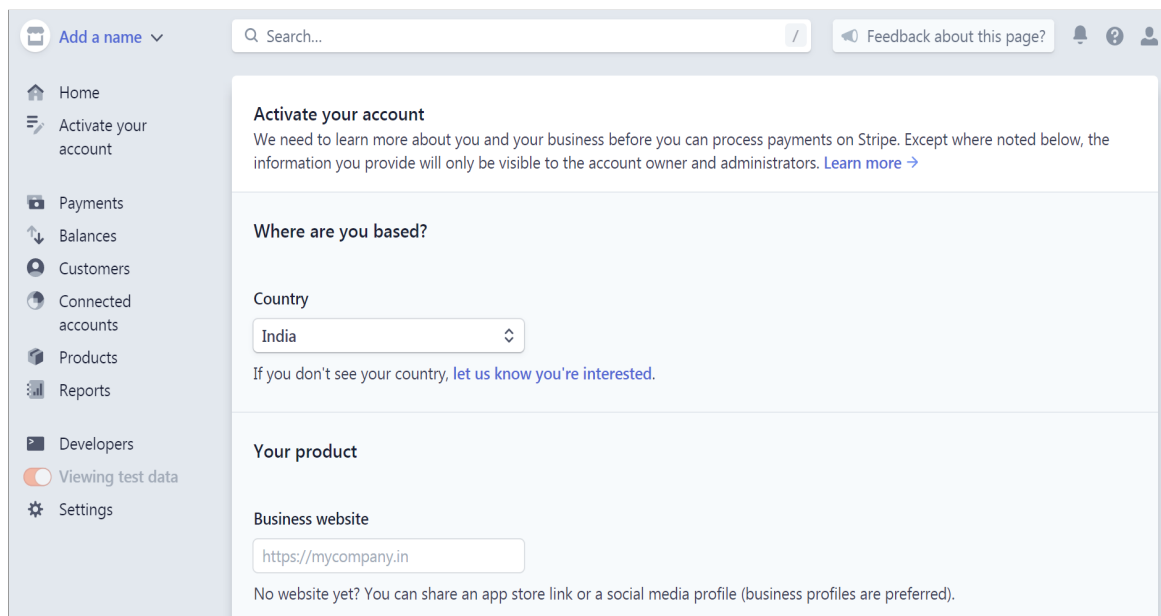

To collect these keys, Follow below steps:

1. Login to your **Stripe Account**, If you don't have, create a new Stripe Account and Login. (Visit <https://dashboard.stripe.com/register> for register or <https://dashboard.stripe.com/login> for login)
2. Once logged in, It will be redirected to the '**Home**' page.( fig 2)

**Fig. 2: Home Page**

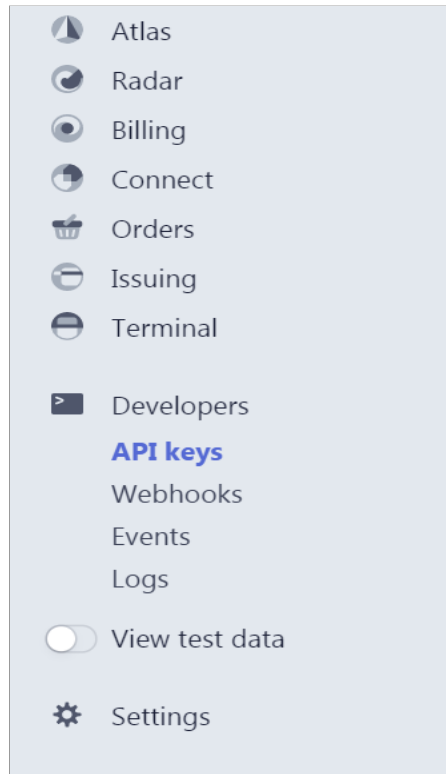

3. The next step is to click on the **'Activate Your Account'** button from the side-navigation bar which will open a page requesting to fill several general details (figure 3). Fill in all the details required to activate account.

**Fig. 3: Activate Your Account**

Once all the details have been entered, click on the '**Submit Your Application**' button to complete setting up their account.

4. Now, Click on the '**Developers**' button provided on the side-navigation bar which will open three options.( fig 4)

**Fig: 4: Developers Button**

5. Click on the '**API Keys**' button and the '**API keys page**' will appear.(fig 5)

The screenshot shows the Yo!Kart API Keys page. At the top, there are two warning banners: "Your account's business owner information needs review" and "Your Business Tax ID needs review". Below these, the "API keys" section is visible, with a toggle switch for "Viewing live API keys" set to "Viewing live API keys" (off). The "Standard keys" section contains a table with the following data:

NAME	TOKEN	LAST USED	CREATED
Publishable key	pk_211e_...04	03-Jul	10:41:09
Secret key	sk_211e_...09	12-Jun	10:41:09

**Fig. 5: API Keys Page**

6. This page displays a section of **'Standard Keys'**. In this section, two keys are displayed: **'Publishable Key'** and **'Secret Key'**. Copy these two keys.

Please note that the **'View Test Data'** toggle switch is off (figure 5). This means that the keys displayed are **'Production Keys'** (also known as live keys).

To get **'Sandbox'** keys (also known as test keys), **turn on** the **'View Test Data'** toggle switch. Copy the **'Publishable Key'** and **'Secret Key'** from this section.

Copy these keys and paste them in the respective input fields provided in their settings ([Fig 1](#)).
