To collect these keys, follow these steps:

1. Login to your PayPal Account, If you don't have one, create a new PayPal account and Login. (Visit <https://developer.paypal.com/home/> for **login/sign-up**)
2. Once logged in, you need to add email id (used for login/signup) into the corresponding section(refer [fig 1](#)). Also choose default order statuses for **Order Status (initial)/Order Status (pending)/Order Status (processed)/Order Status (completed)/Order Status (others).**
